

A Great School

is pleased to announce

The Jewish Continuity Project (JCP)

The Scholarship and Endowment Fund Committee of Associated Hebrew Schools of Toronto is once again pleased to welcome applications for the **Jewish Continuity Project**. The Project is designed to financially assist children wishing to spend a portion or the entire summer vacation at a Jewish overnight camp.

Thanks to the generosity of members of the community, Associated is pleased to provide financial assistance up to a maximum of \$500 to qualifying children who are continuing their Jewish educational experience at camps specifically recognized for their Jewish programming. Associated believes that participation in a summer camp experience enhances the practical experience of the Judaic Studies programme taught in our schools. The educational staff will approve specific camp programmes.
